Asset	Safety Risks	Production Risks	Undetermined Condition	Improvement Opportunities
Crane 1	5	2	0	0
Crane 6	4	1	1	0
Crane 4	3	1	0	0
Crane 2	3	1	0	0
Crane 8	4	1	0	0

Note! The condition of certain components on serviced/inspected cranes cannot be directly verified through visual inspection without further disassembly and/or the use of other inspection methods. These advanced services are excluded from the scope of this service. Inspection frequency for these components should follow OEM recommendations and/or governing regulations. These components are listed separately and identified as follows:

- Undetermined Conditions (Unable to Inspect - Not in Scope)
